REPORT OF NEGOTIATIONS BETWEEN HAVANA AND CHARLESTON MANAGEMENTS,

Sager and Idleweiss Run Dead Heat at Norfolk Track and Purse Is Divided-More Horses Needed to Fill Racing Program Properly.

Norfolk, Va., November 7.—Keen sport was provided at the Jamestown Jockey Club's course this afternoon. The first dead heat during the regime of the present management came with the running of the feature race. in which Idleweiss and Sager fluished so close together that the judges were unable to separate them. There were only three starters in this race, which was at one mile and an eighth, and Beaucoup was made an odds-on favorite. His well known liking for heavy going earned him any supporters and his showing was keenly disappointing to his trainer, Thomas Healey, who looked to see him win easily. Beaucoup is not a front runner and instructions were given McCahey to reserve him during the early running. This the lad attempted to do, but the horse was so full of a desire to run that he kept fighting for his head and McCahey permitted him to set the pace under a pull. The purse was split, the owners of Idleweiss and sager deciding that it would be unwise to again run their horses a mile and an eighth with the track conditions getting worse as the afternoon progressed.

their horses a mile and an eighth with the track conditions getting worse as the afternoon progressed.

Favorites won the first and sixth races, the successful choices being Ben Loyal and Michael Angelo. Ben Loyal showed a great flight of speed in the sloppy going, running six furlongs in 1:14. This horse is one of the best mud runners here. The defeat of Chryseis was another of the afternoon's surprises. The filly was ridden by jockey Butwell, and during the running of the race, the latter was taken sick and all but fell off the filly. Butwell took off six pounds in the baths last night to make weight to ride Chryseis, and the effort proved too much. The winner, Eton. Blue, showed good speed and the fact, that she had outworked Lahore this morning was responsible for strong support from the work watchers.

Thomas Fortune Rxan's colors were carried to victerly by Daingerfield in the race for maiden two year-olds. Daingerfield in the race for maiden two year-olds. Daingerfield showed that he is good in the mud by drawing into a commanding lead in the run down the backstretch and winning in a canter. Gift, the favorite of the race, was jumped on. The attendance this afternoon was the largest of the meeting. Local interest in the meeting is at a high pitch. All the boxes in the front of the grandstand were filled.

The management announced this afternoon that they were still able to accommodate about 100 more horses and owners at Latonia and Marlboro wishing to ship here should communicate with Secretary Gerhardy.

There is a consideration and margement of the

right of ship here should communicate with Secretary.

There is a possibility that the management of the Havana and Charleston tracks may come to an agreement to split dates during the coming winter. It is understood that plans are now under way to perfect such an arrangement and an announcement to that effect may be made within a few days.

MEXICAN RACING PROSPECTS CONTINUE GOOD

Patrons of Sport in Mexican Capital Readily Taking to American Method of Bookmaking.

Mexico City, Mex., November 1.—An excellent attendance marked the second day of the fall race meeting here this afternoon. The weather was all that could be desired, and the races were run of smoothly, with close finishes and good starts. The public are gradually becoming accustomed to the American method of bookmaking and wagered their money on their choices with much enthusiasm. The principal event of the day was the Criterion Stakes for two-year-old fillies foated in Mexico, which was won by the Amor Brothers entry, Madreperla. This filly probably will be one of the favories for the third Mexican Derby, to be run next year.

One of the features of the day was the magnifi-

year.
One of the features of the day was the magnificent performance of W. G. Yanke's Round the World, which with an impost of 127 pounds, conceding much weight to good horses, won in the last lundred yards in a driving finish from Oakland, which was in excellent form. In the other races Jim Basey, Marzo, Miss Korn and John Louis took first money.
Colonel Winn and his associates are immensely pleased with the patronage accorded the races, and anticipate a bright future for the sport in this republic.

Appropos of the report printed recently in an ElPaso paper to the effect that Governor Gonzales of
Chihauhua contemplated preventing the running of
races or the making of books at the Juarez track,
the governor has authorized the use of his name in
connection with a flat denial of the statement credited to him. Governor Gonzales has written Colonel
Winn a letter in which he takes occasion to remark
that, on the contrary, he is an enthusiastic follower of turf events himself, and that he will do all
in his power to encourage and promote what he con
siders the finest sport on the globe.

Mexico City, Mex., November 2.—Decision of the racing card scheduled for today at the Condesa track was postponed until Saturday, because the officials of the Mexican Jockey Club were fearful that if their turf course should be used for racing during the heavy rain which prevailed all day, it would be badly cut up. Today's card will be run off on Saturday and Sunday's program will be in accordance with the provisions of the book for that day. A new card will be prepared for next Tuesday to recompense for today's postponement.

J. M. T., Chicago. Ramon Corona, 4, by Ethelbert—American Beauty ran his last race of record at Juarez, January 17, 1911, being then the property of W. C. Weant.

E. R., Cleveland, O. With nothing to go on in the way of public betting, no opinions other than those already advanced can be given. There is noth-ing more to be said here.

HORSES TO WINTER IN IDAHO.

Coeur d'Alene, Idaho, November 7.—Some 100 race horses will winter in this section this season. Sixty will await spring racing at Lewiston and twenty each in Spokane and Coeur d'Alene. The remaining horses at the Alan track have departed for Canada, Kentucky, Mexico and Virginia. Some race followers have gone to Mexico to take in the new City of Mexico meeting, while a number are on their way to California, to stay until the Thanks-giving Day opening of the 100-days meeting at Juarez.

LATONIA WINNERS PAY WELL.

Majority of Purses at Kentucky Track Go to Horse That Receive Scant Support.

Cincinnati, O., November 7.—The big operators continue to find it difficult to land on the winners at Latonia., four of their selections again meeting with defeat today. While the offering in a racing way did not promise much in the way of good sport, still a fairly large attendance took advantage of the moderate weather this afternoon to make the trip to the course. Several of the inishes were close and exciting, while the early running in most of the dashes was spectacular. The betting was only of fair proportions, this being in a measure due to the continuous drubbing that the public has experienced in the last week. The program was made up five selling races and a maiden race. Zhm and John Griffin II. began the day auspiciously for the talent by taking the first two purses, but thereafter the long-priced racers came in for their innings. Sam Barber, winner of the closing-race, was neglected in the betting, and the longest of the afternoon's winners. Tom King was another winner that lacked a following, and Discontent, winner of the fifth race, only received attention from his immediate connections, who are said to have profited handsomely by his success.

Magazine's success in the fourth race was mostly due to E. Dugan's energetic riding efforts. Incidentally, it is worthy of mention that this rider is storing up a good deal of trouble for himself, if reports of some of the other riders here are to be believed, if being charged that he is resorting continuously to the old trick of "leg looking" some of the younger riders and also of kicking their feet out of the product of the stirrups. No complaint has yet reached the officials, apparently, but it is safe to predict disciplined.

Jockey E. Martin indulged in some rough riding in the third race and the judges promptly suspended him for the remainder of the mention that his resorting in the third race and the judges promptly suspended him for the remainder of the mention that his relating

that if he is caught at the trick, he will be sharply disciplined.

Jockey E. Martin indulged in some rough riding in the third race and the judges promptly suspended him for the remainder of the meeting. Jockey T. Koerner also came under the ban and will not again be seen in the saddle during the remainder of the racing here. He incurred starter Cassidy's displeasure for insubordination at the post.

Dr. Talbot, the well-known veterinarian, met with a painful accident today, while applying the firing irons to Markie M. The horse kicked him in the face, injuring severely his nose and leaving the imprint of his hoof on the veterinarian's face.

The three-horse combination, consisting of Magazine, Discontent and Sam Barber, paid its backers \$388 for \$2.

Failure to thoroughly establish Inclement's identification caused the judges to order his withdrawal after betting had been in progress on the fourth race for some time. All money bet on Inclement was refunded.

arter betting had been in progress on the fourth race for some time. All money bet on Inclement was refunded.

Judge Dillon was absent from the judges' stand during the afternoon on account of the active part he has to take in the election. Mr. Dillon is clerk of Kenton county, and is one of the county's most popular and efficient office holders. Secretary Edward Maginn officiated as associate judge in Mr. Dillon's absence.

The Jamestown track management sent notice to horsemen here of a scarcity of racers at the Virginia track and announced that they could take care of fifty or one hundred horses from here with counfort at their track. Several carloads probably will be shipped there at the close of this meeting.

W. W. Lyles, who is looking after the Havana track's interest here, will tomorrow supply full information to owners concerning shipping rates and other details connected with the special train that is scheduled to leave here next Tuesday for New Orleans enroute to Havana.

J. F. Schorr's Star Charter was worked one mile and a haif between the races in preparation for his engagement in the Latonia Endurance Stakes next Saturday. He went the distance handly in 2:52, eased during the last quarter.

MARLBORO MEETING TO BE CONTINUED.

Washington, D. C., November 7.—The mud runners again had things their own way at the Mariboro track this afternoon, but the course was drying out rapidly and it will probably be in good condition for tomorrow's races. The usual six races were decided and the sport was interesting, with two favorites successful. The other winners were well-backed contenders. The two winning favorites were Myles O'Connell and Jessup Burn, both owned by W. B. Carson and ridden by Hopkins, who resumed riding for the first time since his fall from Hatteras a few days ago.

Official amouncement was made today that racing would be continued at Marlboro throughout next week under the auspices of the Southern Maryland Horse Show.

Arthur Elrod, who will manage the proposed meeting at Columbia, S. C., stated today that a mistake had been made in announcing that the Marlboro promoters were behind the Columbia meeting. RUSHING WORK AT CHARLESTON.

Charleston, S. C., November 7.—Preparations for the coming winter race meeting of the Charleston Fair and Racing Association are well under way. General Manager Francis J. Pons has opened business offices at 228 Meeting street. The business men of Charleston are taking a lively interest in the meeting and many of them are substantially interested in the venture. Plans for the new track call for the expenditure of \$200,000, and when it is completed it will be one of the most modern and handsomest winter race courses in the country.

All of the contracts for the work to be done have been awarded and work is progressing rapidly. The track itself has already been laid out, and it has been decided to complete that part of the work

AMERICAN HORSEMEN IN FRANCE.

Many Well-Known Trainers and Jockeys Occupy Quarters at Maisons Laffitte.

Few towns in France have greater interest for the sporting public, particularly that large section of race-goers drawn from the American and English colonies in Paris, than Malsons Laditte, if, of course, exceptions be made for Malsons elder by France.

The town has acquired this popularity as a training center for race horses from the proximity of the Malsons Laditte race course, where numerous important meetings are held throughout the year; from the facilities offered for training in the way of excellent sand gallops provided by the racing authorities in the forest of Saint Germain, as well and the state of the state o

NOTES OF THE TURF.

J. E. Widener's Datura won the Prix Jacinthe at the Anteuil course in France Sunday from six other horses. Parfrement was in the saddle.

August Belmont will send Watervale to England to race. Priscillian, which S. C. Hildreth has been training, will go into winter quarters at Belmont Park in charge of Louis Feustel.

Willie Shaw, the American jockey, won the Austria, on Prince Hohenlohe's Landluft, in Vienna on Sunday, October 22. The stake was worth 100,000 kronen, or \$20,000, and was for two-year-olds and over at a trifle over six and a half furlongs on the furf. Every winter Shaw returns to this country to visit relatives in Oklahoma, and this season will be no exception.
